

It's here at Good Shepherd!

The “Magic Paper Box” is an easy, cost free method to raise funds to support The Ministries of Good Shepherd.

How does this Magic Paper Box work? IROW has placed a container in the parking lot of Good Shepherd to collect office and school paper, junk mail, newspapers, magazines, and catalogs. When the container is full IROW will come and empty it and Good Shepherd will then receive a payment for the value of the paper that has been collected.

How do I find the Magic Paper Box? The Magic Paper Box container is located in the back of the parking lot of Good Shepherd. This box is available 24/7, so you can bring your paper to it whenever it is convenient for you. Just look for the blue container that says “Magic Paper Box”!

What kind of paper can go into the Magic Paper Box? Newspaper, including the glossy inserts, magazines and catalogs, office and school papers, including window envelopes, paperback books, and items with staples or paper clips. Mail can be recycled, only recycle the mail that you feel comfortable putting in our recycling container. The Magic Paper Box is not for confidential documents. Please no plastic, cardboard, metal, glass, or paper contaminated with food.

How long does it take to fill the container? If all families at Good Shepherd brought one paper grocery bag full of paper, it would fill the Magic Paper Box three times! It will take approximately 150 grocery bags of paper to fill the Magic Paper Box once.

What happens to the paper in the container? IROW recycles the paper, keeping the paper out of the landfill, and keeping our earth green! Instead of throwing away your paper, recycle it!

So start saving your paper today to benefit the Ministries of Good Shepherd!
